APPLICATION

Telecom Network USA, Inc. ("TN USA" or "Applicant"), hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and Section 63.18 of the Commission's Rules, 47 C.F.R. § 63.18, to provide global international resale services between the United States and international points.

TN USA is a Delaware corporation formed to provide, among other things, international telecommunications services. TN USA is not a foreign carrier within the meaning of Section 63.09(d) of the Commission's Rules, 47 C.F.R. § 63.09(d) nor does it have any affiliation with a foreign carrier within such meaning in any country where it intends to provide service. Therefore, TN USA qualifies for the presumption of non-dominance under Section 63.10(a)(1) of the Commission's Rules, 47 C.F.R. § 63.10(a)(1), and its application is eligible for streamlined processing pursuant to Section 63.12 of the Commission's Rules, 47 C.F.R. §§ 63.12.

By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market.
